Norway Youths Like That Rock 'n Roll

OSLO (AP)—Ten thousand teenagers went berserk Wednesday night because their Norwegian favorite wasn't crowned king of the rock 'n roll.

Pandemonium broke after the six judges chose a Swede. The spectators tried to rush the stage. A cordon of police and stadium attendants halted them while the newly crowned king and the judges—two Swedes and two Norwegians—sneaked out the back way.

Reciprocal Trade Program Signed by Ike

WASHINGTON (AP)—President Eisenhower has signed legislation giving the reciprocal trade program four more years of life. It is the longest extension ever granted by Congress.

The administration had requested a five-year extension, but Eisenhower made it clear in signing the bill Wednesday that he was quite happy with what Congress provided.

Eisenhower said, the free nations, "are now assured of a continuity in United States trade policy that will make possible new international negotiations to promote mutually advantageous commercial exchange and increased world productivity."

The four-year extension of the 24-year-old program is expected to give the government sufficient power to deal with future trade problems arising from the new European Common Market.

This is a union of France, Italy, West Germany and the Benelux countries in a common market embracing some 160 million consumers.

Besides giving authority for the program to operate through June 30, 1962, the legislation provides additional powers to cut tariffs 20 per cent in return for like concessions from other nations.

The law also will now permit Congress by a two-thirds vote of both House and Senate to sustain recommendations of the Tariff Commission for higher duties or import quotas, even though the President may disagree.

Baker Denies Brag Concerning Gov. Harriman

By ROBERT D. NOVAK

WASHINGTON (AP)—Robert (Barney) Baker admitted today he probably bragged he had a close friendship with Gov. Averell Harriman of New York "Little White Lies," he said.

"I might have been bragging," the 300-pound aide to Teamster President James R. Hoffa sheepishly told the Senate Rackets Investigating Committee.

A few minutes earlier, Baker had sworn that his divorced wife and an ex-sweetheart were lying when they testified Baker often told of close ties with the New York Democratic governor.

Baker's former wife Mollie testified Tuesday that Baker often told her he and Harriman were the closest of friends.

"An absolute lie I'm not kidding," Baker shouted when asked about an assertion by Mrs. Mollie Baker that he left her with a brag that Harriman would find him another wife, and he then would be safe from the law.

Baker denounced her as "a very vicious person."

Baker's present wife, his third, is Mrs. Carol Ann More Baker, daughter of Jake More, former Iowa Democratic national committeeman. They were married last April.

Baker and Mrs. Mollie Baker were divorced in 1955.

Just before Baker was asked about Mrs. Mollie Baker's testimony, he had denied any knowledge of or hand in a variety of crimes, including killings, beatings, and traffic in stolen jewels.

Mrs. Mollie Baker said her marriage to Baker broke up over his attentions to a Miami blonde who had been convicted of slaying another boy friend.

Baker swore to the senators that he didn't use Teamsters money to support the blonde in luxury in 1955. He said he couldn't remember exactly where he did get the money.

WASHINGTON (AP)—Robert (Barney) Baker swore today he didn't use Teamster money to support a blonde convicted slayer in luxury in Miami in 1955. He said he couldn't remember exactly where he did get the money.

Baker, a 325-a-week Teamsters union organizer at the time, said the funds he put out for blonde Mrs. Ruth Brougher were "nothing like" the \$20,000 to \$25,000 she has testified he lavished on her. He set the figure Wednesday at \$7,000 or \$8,000.

Pressed by the Senate Rackets Investigating Committee to tell the source of the thousands, the 300-pound Baker pleaded, "I can't remember. I don't want to perjure myself."

Baker, an ex-convict described by police as an opium muscleman on the New York waterfront, said he had no recollection of threatening to kill Mrs. Brougher's lawyer or trying to strangle a Chicago hotel man who had complained about his bill. But he did not flatly deny he did those things.

Economy Takes Turn for Better

WASHINGTON (AP)—A White House report says the nation's economy took a bigger than expected turn for the better during the second quarter of this year. President Eisenhower's economic advisers said the chief reason was a further rise in personal and government spending.

Arab Nations Give Approval to Peace Plan

By MAY HARRISON

UNITED NATIONS, N.Y. (AP)—The Arab countries, including pro-Western Lebanon and Jordan, today gave their final approval to a Middle East peace formula expected to bring a quick end to the emergency session of the U.N. General Assembly.

The plan, agreed on tentatively Wednesday in a rare demonstration of Arab harmony, appeared headed for unanimous adoption in the 81-nation Assembly.

The heads of the 10 Arab delegations agreed at a private meeting this morning to submit the four-point resolution endorsed by their governments in overnight consultations.

Faubus Places Legislature on Standby Basis

LITTLE ROCK, Ark. (AP)—Gov. Orval Faubus today placed the Arkansas Legislature on a standby basis for a possible call Monday to deal with the explosive Central High School integration situation.

Thus it appeared that the Little Rock School Board failed Wednesday night to convince the governor it was doing all possible to delay re-entry of seven Negroes into the sprawling high school.

Mob riots broke out last fall when nine Negroes first entered the high school, and President Eisenhower sent paratroopers to restore order with bayonets.

Faubus today said he plans to send messages to the 100 House members and the 35 Senators but did not want to make the official call just yet.

The school board has asked a federal appeals court to stay an order that would send the seven Negroes back to the high school.

Attorneys for the Negroes had urged the court to make the ruling effective at once so the Negroes could be admitted when school starts in less than two weeks.

Disputes of the board's request was announced Wednesday night by Supl. Virgil Blossom after board members met for two hours with Gov. Orval Faubus behind closed doors.

The legislators presumably would be presented with bills aimed at halting integration. A pupil assignment law already is on the books, but the board has not used it.

The governor met with the school board and the superintendent for almost two hours Wednesday night, and in a later press conference refused to say what was discussed.

School Supt. Virgil Blossom Wednesday night announced the board has petitioned the 8th U.S. Circuit Court of Appeals for a stay of its Monday order. This order called for continued integration at Central High.

The Circuit Court reversed a decision by U.S. Dist. Judge Harry Lemley, who earlier ruled the board could delay integration for 2½ years.

The petition for a stay is aimed at delay until the board can place the question before the U.S. Supreme Court.

Speculation on what the Legislature can do includes passage of bills withdrawing state aid from any integrated school, or giving the governor power to close Central High, among others.

Attorneys for the seven Negroes have urged the Circuit Court to make the ruling effective at once so the Negroes could be admitted when school starts.

Blossom said the board asked the U.S. 8th Circuit Court of Appeals at St. Louis to stay its Aug. 18 ruling because conditions at Central High would be hard to bear if the Negroes went back while a federal-state controversy continued on Page Two

things. He did deny giving to Mrs. Brougner's lawyer, George Everitt, in an effort to fix the courts on her appeal from a manslaughter conviction.

Mrs. Brougner, 44, now is serving a 15-year sentence for the July, 1954, Miami parking lot slaying of Murray Dubois, a boy friend. She said he was pistol-whipping her and was shot in a struggle over the weapon.

Baker said he could pin down the source of only \$4,000 of the money he spent on Mrs. Brougner in less than a year while she waited out her appeal in plush surroundings.

He said he borrowed that much from Mert Wertheimer. He identified Wertheimer as a "boss" at the Colonial Inn in Hollywood, Fla., a night club operated by Frank Costello, Joe Adams and other mobsters.

As for the rest of the money, Baker said, "I borrowed money from a few people." When asked the identity of the lenders, he replied, "I can't remember."

He vaguely remembered, he added, borrowing some money from a St. Louis bank. When pressed for details, he replied, "To the best of my knowledge, I don't know."

He first denied asking Mike (Trigger Mike) Copola, notorious Miami mobster, for money to help Mrs. Brougner.

Under examination by committee counsel Robert F. Kennedy, Baker later said: "The only time I talked to him (Copola) was to try to help Ruth Brougner. (I said) she needed some money."

over integration persisted. Attorneys for the Negro students filed a motion asking the St. Louis court to instruct its clerk to issue a mandate on its decision immediately instead of waiting the usual 20 days. Otherwise, the motion said, a lower court's order granting a postponement of integration until early 1961 would be in effect when school starts Sept. 2 and the Negroes would be barred.

Faubus had demanded the meeting with the school board in an attempt to learn in detail how it planned to resist integration and whether Negroes expected to enter other white schools at Little Rock this fall.

The governor said it was a "very friendly and amiable meeting." He added that the board answered most of his questions but couldn't reply to others because it was still considering them. He did not say what the answers were.

Miss Jackie Nell Cleaver
Marries **Cowan David Brown Jr.**
Saturday evening August 16, at seven o'clock, the Fulton Union Church was the setting for the marriage of Miss Jackie Nell Cleaver, daughter of Mr. and Mrs. G. W. Cleaver, to Cowan David Brown, Jr., son of Mr. and Mrs. Cowan D. Brown of McNab.
The double-ring ceremony was performed by Bro. Milton Peebles

of Saratoga. The organist, Mrs. Otis Blackwood of Fulton, had charge of the pre-nuptial music and also played the traditional wedding marches. Miss Wrenetta Cleaver, sister of the bride, and Miss Sarah Brown of McNab, sister of the groom, lighted the candles.
The bride was given in marriage by her uncle, Floyd Taylor of Prescott. She wore a street length dress of blue nylon taffeta over white taffeta, designed with a fitted bodice and a rounded neckline. With her short sleeved frock, the bride wore net gloves trimmed with rhinestones. Her bridal veil fell from a band of blue taffeta trimmed with pearls, and she wore a strand of pearls which was a gift of the groom. She carried a white Bible lapped with white carnations.

Vows were exchanged before an altar decorated with baskets of white gladioli, greenery, and candles.
Miss Jerrye Cleaver, sister of the bride, was her maid of honor. With her blue dress, she wore a matching hat and carried a bouquet of white carnations.
Edwin Erwin of McNab served the groom as best man. Ushers were Guy Dalton Porterfield of Little Rock, cousin of the groom, and Barney Joe Stanton of Saratoga.
In the foyer of the church, following the ceremony, Mrs. Charles Varner of McNab had charge of the bride's book. The guests then went to the Cowan Brown home in McNab for a small reception, after which the bride and groom left for a trip to Northwest Arkansas. Upon their return they will be at home at 222 E. Ave. B in Hope.

Average Squad Turns Out for Grid Practice

More than 40 boys turned out yesterday for the first football practice of the season as Coach Pierce started the annual grid in preparation for the opening game against Pine Bluff here Sept. 12.

With 12 lettermen back but only a handful of regulars Coach Pierce indicates a lot of hard work is coming during the next two weeks.

The first days will be devoted almost entirely to conditioning with the rough work starting in earnest next week.

This year's squad will be considerably lighter than last season but should prove faster. The Cats will be very short on experience, especially in the line. There the experience is centered around Bill Harris at end, Thurman at tackle, Duke and Embury at guards and Rowe at center. The backfield is much better off with quite a bit of experience in Walkins, Hatfield, King, Booth, Butler, Thurman, Herndon and Graves.

The practice session was driven indoors by rain this morning but Coaches were hopeful of getting back outside this afternoon. Sessions will be held twice daily until school starts.

Coach Bill Blake has issued a call for his Junior team hopefuls, 8th and 9th graders only, to report on September 1. The 7th graders will report when school starts. All players must have physical examination slips from their doctors. Assisting Coach Blake will be Donald Culp.

White Sox Have Win Streak Going

By ED WILKS
Associated Press Sports Writer

The second place Chicago White Sox have a seven-game winning streak, their longest in two years, the first place New York Yankees have a winning streak of one, their longest in a week.

That's the way things stand as the White Sox roll into Yankee Stadium tonight for the opener in a three-game set.

The White Sox are on a drive to nail second place (although Manager Al Lopez insists they're shooting for the flag) and at the moment they're doing right well, winning 15 of their last 18 games in a rush from fourth place. They're now 10 1/2 games behind New York.

They built a four-game lead over third-place Boston by beating the Red Sox 10-8 Wednesday after blowing a six-run lead.

The Yankees, who had lost four in a row, ended that with a 7-1 victory over the Cleveland Indians.

Detroit clung to fourth by beating Washington 7-1 while Baltimore regained fifth with a 4-3 decision over Kansas City.

In the National League, fourth-place Los Angeles beat Milwaukee 2-1, trimming the Braves' lead to 5 1/2 games. Second-place San Francisco defeated Cincinnati 4-3. Pittsburgh split a double-header at Chicago, winning 4-2 before the Cubs won a rain-shortened, five-inning decision 5-1. Philadelphia rallied St. Louis 12-2.

Jim Landis drove in four runs to tie the White Sox, doubling home a pair for a 7-1 lead and then nailing it with a two-run homer, his 15th, in the seventh inning.

Tuck Lowm won his third in relief. Art Ditmar (6-4) had a four-hit shutout for six innings and wound up with an eight-hit for the first complete game by a Yankee.

Bob Friend took his 13th defeat in the nightcap at Chicago. Dick Drott (6-10) didn't give up a hit.

A Kaline rapped a pair of three-run homers for the Tigers, who had lost five in a row. Frank Earl won his 12th with an eight-inning, losing his shutout bid on an unearned run in the third. Pete Ramos lost it.

Bob Nieman, hit five days with a team lead, hit a run-scoring triple in a two-run first inning, then tied it for the Orioles with a two-run homer in the third off loser Walt Craddock (6-2). Jack Harshman (10-11) allowed only five hits, and had the A's blanked on two hits until the eighth inning.

until Bill Mazeroski slapped his 16th home run in the fifth inning. Friend got the only other Buc hit, a two-out double in the same frame.

Dick Stuart's two-run homer, his 11th, and a pair of RBI singles by Dick Groat bagged the opener for the Bucs and Ron Kline (12-11).

The Giants, blanked on two hits for four innings by Harvey Haddix, scored two in the fifth on Ray Jablonski's pinch double and a bases-loaded walk, then handed reliever Brooks Lawrence (6-12) his ninth defeat in a row as Valmy Thomas singled, Jabbo doubled and Bill White lined a pinch single that scored them both in the sixth. Al Worthington (11-5) won it in relief.

Jones banged a pair of three-run homers and a two-run double for the best one-game production by a Phillie since Del Enis drove in seven against the same Cardinals in 1955. Harry Anderson also homered to tie the Phils, making Robin Roberts' 13th victory a breeze. Billy Muffett (4-5) lost it.

Dodgers Again Take Braves, Third in Row

By ED WILKS
Associated Press Sports Writer

The Dodgers did it again! They blew some more foam off Milwaukee's National League lead Wednesday night, taking their third in a row from the Braves 2-1.

That slashed the champs' lead to 3 1/2 games, with two games remaining in the series at Los Angeles before Milwaukee plunges into a five-game set with the second-place Giants at San Francisco.

The Dodgers got only four hits off Warren Spahn. At that, they needed only the last two. Scoring in the fifth inning on Joe Pignatano's home run, a walk and Norm Larker's triple.

All that with San Francisco's 4-3 afternoon victory over Cincinnati beaming down on the Braves from the Coliseum scoreboard.

Philadelphia quit the cellar and cut a losing string at seven games by rapping St. Louis 12-2 with Willie Jones driving in eight runs.

Third-place Pittsburgh beat the Chicago Cubs 4-2, then lost 5-1 in the second game of the double-header tied to five innings by rain and darkness.

In the American League, the New York Yankees ended their slump at four with a 7-1 victory over Cleveland while the second-place Chicago White Sox won their seventh in a row, 10-8 at Boston.

Detroit belted Washington 7-1 and Baltimore defeated Kansas City 4-3.

Bob Friend took his 13th defeat in the nightcap at Chicago. Dick Drott (6-10) didn't give up a hit.

A Kaline rapped a pair of three-run homers for the Tigers, who had lost five in a row. Frank Earl won his 12th with an eight-inning, losing his shutout bid on an unearned run in the third. Pete Ramos lost it.

Possible Way to Knock Out Breast Cancer

By RENNIE TAYLOR
Associated Press Science Writer
ABOARD S S MATSONIA (AP) — A way of virtually knocking out breast cancer as a cause of death has become a possibility in the not distant future even though no blanket cure is in sight.

The idea is based on the simple arithmetic of breast cancer fatalities and consideration of what surgery can do. It postulates that women past the child-bearing age would free themselves of the danger of breast carcinoma by having the milk glands removed from their breasts even though there is no indication of malignancy.

Dearmont said the two railroads would effect substantial tax savings through a consolidated financial statement and planned to do this as soon as possible.
